Be sure to check the School website or stop in the OHS Counseling office for available scholarships!

The 2020-2021 Program of Studies is posted on our school website!

During the month of March students will meet with their counselor to choose their courses for the following year. Choosing courses is an important process and it is imperative to take it very seriously. We recommend you consider your interests and goals when choosing your courses.

Please talk to your parents and teachers to help you make wise and sound decisions.

OHS Expectations Reminder

Backpacks & Cinch Sacks are NOT allowed to be carried during the school day. The expectation is that they are secured in student's lockers upon arrival at

school and remain there until dismissal. Any student who attends CITi or another alternate program will have time to obtain their bags after their lunch period.

Earbuds/Headphones: Students **ARE** allowed to wear **ONE** earbud in their ear during passing time from class to class during the school day. The purpose of the headphone is to concentrate a **QUIET** and **PRIVATE** sound in the ear of the listener. The OHS expectation is that the one earbud is at an appropriate noise level (quiet & private) for the person wearing the ear bud. **Earbuds/Headphone use in the classroom** is at the discretion of the teacher. Students must abide by the teacher's expectations while in the classroom.

Cell phones: Should be **put away (not visible/out) while in the classroom;** unless the teacher permits student use for academic purposes. If a teacher asks a student to put the phone away the expectation is that they comply. If the student does not comply, it will become an administrative matter. If the student does not comply with an administrative request they will be deemed "insubordinate to an administrator" and may be suspended from school.

**** The OCAY League** for their hard work and dedication!

******Throughout the month of December the OHS NHS collected donations for the Human Concerns Center, INC. our local food pantry. Over 300 items were collected. This is a great example of service, which is one of the main NHS pillars.

******The OHS Girls' JV and V basketball teams collaborated in December for the teams' annual charity free throw event. The players collected pledges and donations and then tried to sink as many free throws as they could during a recent practice. Each player had the chance to land 100 shots each. Thousands of dollars from this event are raised each year to help ease the stress of the holidays for several local OCS families. The girls' JV team also rang the bell for the Salvation Army's Red Kettle Campaign.

******We have a lot of student athletes who give back to their community. Our wrestlers have volunteered their time to pack all of the holiday food boxes that were distributed to hundreds of families throughout the Oswego and Fulton Salvation Army locations.

******Congratulations to all of our Student Athletes who work hard both inside and outside of the classroom to represent OHS!

******The boys Hockey team participated in the YMCA's Run for the Pies event, in which they provided donations of non-perishable food items or bags of pet food. Way to go BUCS!

******A job well done goes out to the **OHS Drama Club** for their performance of "Play On!" The students worked hard on this one- even behind the scenes! Thanks for your extra time and commitment to our students Mr. Norman Berlin III, Mr. DeLorenzo and student assistant director Alexandra Reith!

******A shout out goes to our OHS Musical members. Their hard work and dedication to the performance of Disney's Beauty and the Beast was evident! It was an amazing performance!!

******The artistic talent of OHS students is incredible! We had many students honored and recognized at the CNY Regional Scholastic Art Awards Competition! Go BUCS!

******Congratulations to all of our talented musicians and singers that participated in the recent All-County band performances!

******OHS Computer graphic students in Ms. Platten's class did a great job working with their young clients-- kindergarten students and Leighton Elementary School!
