Procedures for locker clean-out at Oswego High School will be as follows:

Social distancing will be practiced. Students and staff will wear masks when on the property and in the building. Students will follow staff directives.

Students will arrive at the high school at their assigned start time and will have until the end of their time to complete their locker and PE locker clean out. Only the student will be able to clean out lockers that day. They will first go to their hall locker and then proceed to the gym. If students need assistance staff will be available to help. Anyone student unable to come at their specific time will be put on a list for pick up on another day.

On Tuesday, Thursday and Friday, students will enter at Liberty Street entrance under the canopy. On the sidewalk there will be chalk marks drawn six feet apart for that will be used to maintain social distancing. On Wednesday students will enter at the Utica street entrance. Ms. Morley, Dean of Students, will be supervising the Liberty and Utica Street entrances with other staff volunteers.

Students will be given clear plastic bags as they enter the building to put their belongings in. Students should not bring their own bags into the building.

There will be OHS Staff to direct students to their lockers. Students and staff are expected to maintain social distance.

If students have instruments to pick up from the band or orchestra room, they will be walked to the rooms in socially distanced groups of 2 or 3 to the band room.

The PA system will be used to let students know when they have 10 minutes left in their time slot.

The students will exit through the theater doors.
