

Minetto Elementary

6th Grade School Supplies

- ☐ 1 $\frac{1}{2}$ " 3-ring binder (You may bring a binder that zips shut to make sure nothing falls out)
- ☐ Pocket folders for the binder (already 3-hole punched - plastic folders work best since they won't rip; using duct tape around the holes will help reinforce them); please label each folder: Reading, Writing, Science, Social Studies, Math
- ☐ 1 pack of blue or black pens
- ☐ 2 red pens
- ☐ 1 packs of pencils for your supply box
- ☐ 2 packs of pencils for the classroom community bin
- ☐ 1 pack of cap erasers
- ☐ colored pencils
- ☐ 2 highlighters
- ☐ 1 pack of thin Dry-Erase Markers
- ☐ Glue stick
- ☐ Spacemaker pencil box (hard plastic)

Please put all materials into your binder and label each of your folders **before** you come to school on the first day. The front of your binder should have your first and last name on it. Please label your pencil box as well.

You will be bringing the binder to each class and back and forth from school every night. Your pencil box will hold all other materials. If you are not able to fit all of your supplies into your pencil box, it might be helpful to leave the extra supplies at home and bring them to school as needed.

On the first day of school, please bring an independent reading book. You may also bring a light, healthy snack.

Additional supplies for Mrs. Anderson's and Mrs. Roberts'/Mrs. Mitchell's class:

- ☐ 1 pack of tennis balls

Enjoy the rest of your summer! We look forward to a fun and exciting school year, and we can't wait to meet you!
