September 1, 2021

Dear Parents/Guardians and Students:

Welcome to the Oswego Middle School and the 2021 - 2022 school year! We are looking forward to working with you this year and welcome visits to our office; if you would like to introduce yourself and meet me or one of our Assistant Principals in person.

One of our goals is to see that the parents and guardians of students, like the students themselves, feel at home at the Middle School. To help keep the lines of communication open parent newsletters are sent home every other month providing you with information about events and activities. You are also encouraged to visit Oswego.org → Schools → Oswego Middle School for up-to-date information about our school. Additionally, we will be requesting updated e-mail address information and will send e-mail BLASTs via *ParentSquare* to parents and guardians.

At the Oswego Middle School we are proud of our Character Education program that we refer to as *'The OMS School Pride'* ('Once a Buc Always a Buc') program. As part of the program we will encourage all of our students to *'Take Care of themselves, Take Care of others and Take Care of our school.'* Specific character traits will be taught and recognized each month of the school year.

During the spring semester of the 2020 – 2021 school year our school district developed a new Strategic Plan. Along with the plan we have released a new district – wide Mission Statement *"We educate, inspire and empower all students."*

I look forward to working together to make school a very positive experience for you and your child. Please call my office at 341-2300 if you ever have any questions or concerns.

Sincerely,

Mary Beth Fierro
