

Dear Parents/Guardians,

The Oswego City School District features images of students, usually identified by name, school and grade, in district publications including, but not limited to the calendar, website, district newsletters, posters, and on the district's social media pages such as Facebook, Twitter, and Instagram.

We also share images of students with the local media for publication in newspapers, television stations, and their websites and social media sites.

If you **DO NOT WANT** your child's image to be taken and used by the district or local media during the current school year, please fill out this opt-out form and return to your child's school. Please be sure to include each child's name and the school that he/she attends.

THIS REQUEST MUST BE MADE EVERY YEAR.

Please note that school yearbooks are internal publications and are not subject to these restrictions. If you do not want your child's name/image in the school yearbook, please contact your child's principal.

If you DO NOT RETURN this form, the district will assume that YOU GIVE PERMISSION for your child(ren) to be photographed as well as identified by name, school and grade in district publications for the current school year, as well as shared with the media.

If you have questions, please contact the superintendent's office at 315-341-2001.
