

OSWEGO HIGH SCHOOL

SENIOR PRIVILEGE RULES

*Release from school may be granted to **seniors** who meet the guidelines for Senior Privilege. Senior Privilege includes permission to come in late and/or leave early, as long as the student is not absent from any scheduled classes (with the exception of study halls.) Students may have permission to arrive late to campus or leave campus early (up to two periods a day at the beginning or end of the school day if their required class schedule allows.)*

*Eligible seniors must maintain a **75%** or above average **in all classes**. They must maintain a 90% overall attendance rate for each 5-week review. Seniors may not be tardy to school more than 5% of the time for each 5-week review. The student must have permission from a parent or legal guardian and be scheduled to graduate in **June of 2025**. They must also be in good academic/behavioral standing, and receive written authorization (blue Senior Privilege pass) from the building administration.*

The following is a list of Senior Privilege Pass rules:

- You must always show your Senior Privilege Pass when signing in or out.
- Students will see 'Senior Privilege' on their schedule; it is the expectation they are not lingering or wandering in the building.
- Students must maintain at least 6.5 credits for the year.
- When you enter/exit the building using your Senior Privilege you **MUST** enter/exit through the main office.
- Please enter and exit the building without disruption to classes or students.
- Once you sign out, you must immediately leave the school grounds.
- If you have the privilege of being out 1st period/2nd period or both and are not going to be here for the entire day, you must call the Main Office and let the attendance clerk know you will be absent and bring in a note the next day. The phone number for the attendance clerk is (315) 341-2253
- Any senior who receives ISS or OSS for any disciplinary reason will lose his/her pass. The length of revocation will depend on the infraction and the student's disciplinary record as determined by the Principal or Assistant Principal.

Students may come late or leave if they do not have an instructional obligation. The administration still reserves the right to revoke the privilege if students do not demonstrate positive citizenship.

Any other questions, please refer to the High School Code of Conduct and Student Handbook for further qualifications and rules.

REMEMBER – any violation of the Senior Privilege Pass rules will cause you to have your privilege revoked!

Please act safely and responsibly while enjoying your Senior Privilege!
