Dear Boys and Girls,

Hello! My name is Miss Wilson, and I will be your Kindergarten teacher. I am so excited to welcome you to our class! I can't wait to meet you!

Kindergarten is such a magical year! We will laugh, play and learn together. I hope that you are excited to make new friends, sing songs, listen to stories, write stories, learn about math, do crafts and projects, learn about animals and science, and so much more!

On your first day of Kindergarten, you will be able to find your seat because it will have your nametag on it. After each day of Kindergarten, you will get to go home and tell your family all about your favorite parts of the day, and the new friends that you have made! I wonder if you are counting down the days until we get to meet in Kindergarten? I sure am! Please remember to thank your family for their help with your fun, new supplies! Please ask your family to help you label your backpack, water bottle and lunch pail with your name, so we can find them easily!

Your Friend,
Miss Wilson

P.S. Kindergarten families: I look forward to meeting you and building a strong home-school connection. I am so grateful to have your child in my class, and am excited to share this magical year with you! Together, we can support your child in having a wonderful year in Kindergarten, and foster their love of learning and school. Please feel free to reach out with any questions you may have. hwilson@oswego.org (315) 341-2500
