SCHOOL VOTE

PROPOSITIONS AND CANDIDATES

BUDGET NOTICE & BASIC STAR

Letter from Superintendent of Schools Dr. Mathis A. Calvin III

Dear Oswego City School District community,

As you are all aware, this year's budget vote is quickly approaching. With hard work and creative thinking, the Board of Education has adopted a budget that is:

- Fiscally sound - not excessive to taxpayers
- Flexible - provides for flexibility within budget codes
- Foolproof - provides for emergencies should they occur; and
- Flowing - has enough cash flow available should state aid be withheld

Additionally, this year's budget adheres to the Board of Education commitment to excellence by preserving all of our current programs and staff.

Highlights from the budget include the following:

- Total budget - This year's budget is \$91,159,811 (a 2.9% increase from last school year)
- Tax cap compliant - This budget is tax cap compliant
- No budget cuts - There are no cuts to any of our programs or staff; and most important
- A 0% tax increase - This year's budget ensures a 0% tax rate increase for a second year (This involves an estimated rate of \$17.91 for a property with a market value of \$100,000.)

The support of our parents, staff and community are what makes Oswego City School District so successful. We are proud of the accomplishments of our students and staff and look forward to ensuring another year of success.

This year's budget and Board of Education Member vote is set for May 18, 2021. Polls will be open from 9 a.m. to 9 p.m. We encourage our entire community to please come out and take part in this vote.

With that said, the district is thankful for our community's support.

Yours in Education,

Dr. Mathis A. Calvin III
Superintendent of Schools

Budget at a Glance

Each year, the school budget is divided into three components: program/instruction, capital and administration.

Program (78%)

Program represents the largest portion of the school budget, as it involves the bulk of what helps the OCSD educational system and its staff members to lead students into becoming fully prepared and life ready.

Capital (13%)

This portion of the school budget is primarily centered on operations and maintenance. Debt service and specialty items also are included.

Administrative (9%)

Instructional support is vital for OCSD's operations. This portion of the budget is comprised of general support, instructional supervision and employee benefits attributed to each of those areas, including retiree benefits.

Basic STAR Exemption Impact

Three factors that determine the tax rate on your home include tax levy, equalization rates and property assessment. The tax levy is set by the school district in May; equalization rates are established by the New York State Office of Real Property Services in August and each respective town establishes assessments and equalization rates, but these are just estimates. Therefore, tax rates are not finalized until late August, at which time school tax bills are printed and mailed.

Estimated Basic STAR Exemption Savings Based on a Hypothetical Home Within the School District with a Full Value of One Hundred Thousand Dollars (\$100,000).

	Budget Proposed for the 2021-2022 School Year
Basic STAR Tax Savings ¹	\$537
