

## Spring 2026 Driver Education

Dear Parent/Guardian,

The CiTi BOCES' high school Driver Education program operates under the direction of the New York State Education Department and the New York State Department of Motor Vehicles. In order for students to successfully complete the program, our certified Driver Education teacher must provide and document a minimum of 24 hours of lectures and 24 hours of in-car experience.

You are being provided with a calendar of lectures and driving classes. Please note that these are required attendance dates. Students must accumulate 24 hours of classroom lectures and 24 hours of in-car experience in order to receive their MV-285 certificate. Any absences may prohibit their ability to successfully complete the program. **These requirements are strictly enforced by the State Education Department and NYS DMV.**

All instruction is held at the student's home school.

If you would like to support your child's learning, you may refer to NYS DMV's "Pre-Licensing Course Student's Manual." This manual can be found at <https://dmv.ny.gov/forms/mv277.1.pdf> or you can contact Brittany Wallace at 315-963-4355 for a printed copy.

We are excited to support your child in developing their driving skills. Please contact me or your student's DE teacher with any questions.

Thank you and be well.
